A Full Service Advertising Agency

Marketing Matters is looking for interns for Graphic Design. If you are a creative well-organized, self-starter with excellent communication skills – both oral and written we want to talk with you!

We are looking for:

- A college student (junior or senior) majoring in advertising art direction, graphic design or similar
- Working knowledge of Adobe Creative Suite.
- Experience in Flash/Fireworks/Dreamweaver is a huge plus
- Student portfolio of design work
- Willing to commit to a minimum of 16-20 hours per week

Responsibilities will include:

- Assist team members in research, concept development, designing and mounting of logos and creating collateral pieces, websites, identity and stationery packages
- Accompany team members to photo shoots, press checks, and assist in photo and art research when necessary

If you are interested, please email your student portfolio, cover letter and resume to careers@mmaustin.com
